Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honor to state that the canvas tarpaulins supplied last year for the Jui Jutsu classes at Bangalore, Tumkur, and Gold Fields, are reported to have considerably worn out and to be unfit for further use and that new ones have therefore to be supplied in their place.

2. Samples of canvas were obtained from the different firms both in and out of Bangalore and a sample best suited for the above purpose, has been selected. The cost of a complete tarpaulin made out of the above sample, including the cost of making etc., comes to about Rs.215/- each or Rs. 645/- for the 3 tarpaulins required.

3. I request that you will be so good as to obtain the early sanction of Government for their purchase, the cost being met from the savings that is expected to accrue under the head " Pay and special allowance to Inspectors and pupils" out of the allotment of Rs. 9109/-

Sir,

In reply to your letter No.J. 913/Police 41-17-2 dated the 7th instant, requesting to be furnished with detailed information as to why savings are expected to accrue out of the allotment of R9100/- provided for Jui-Jutsu schools in the current year's budget, I have the honor to state that out of the four schools, originally sanctioned by Government, only those at Bangalore, Tumkur and Kolar Gold Fields, where there are permanent or temporary buildings for the purpose, have been started and are working. The other one at Mysore, has not been started, owing to Professor Sano having gone away to Japan and for want of a platform thereat, the one hitherto used there, having been removed from the Jagan Mohan Palace building, where the Jui-Jutsu school had been first started. So, the pay of the Instructor and special allowance to both the Instructor and the pupils sanctioned for the school at Mysore are available and it was out of this expected savings, that I proposed to meet the cost of the tarpaulins required for the 3 schools now working.

I have the honor to be,
Sir,

As to the necessity or desirability of continuing these institutions, Government have, in their Proceedings No.4076-7/Police.171-16-2 dated the 16th May 1917, sanctioned the continuance of the schools till the end of the current official year. I have not been able to form any further opinion in the matter since. I addressed my letter No.91 dated 25th August 1917 to Government as the two school at Tumkur and Kolar Gold Fields have been practically closed for want of tarpaulins since the commencement of this term. If the classes are continued for the current year as already sanctioned by Government, I shall be in a position to expres a definite opinion about their further continuance at the close of the year. Urgent

My dear Mr. Balasundaram Iyer,

Bangalore,
3rd October 1917

I write to invite your reference to my official letter No.138 dated the 18th September 1917, regarding the purchase of tarpaulins for Jui Jutsu classes at Tumkur and Kolar Gold Fields and to request you to kindly expedite orders in the matter, as it is very difficult to get tarpaulins in these days and the Miur Mills Company of Cawnpore, whose quotation for the stuff is favourable, have written to say that they have only a limited supply on hand and that the price will also be raised shortly, and that they may not be able to comply with our order, if sent in late. I have tried other firms in Cawnpore, Calcutta, Bombay, Madras and Bangalore, and none can supply any tarpaulin canvas.

Yours sincerely,

J.S. Warcup
